Hunter-Trapper Class Set for March 23

Irwin Sportsmen's Association will host a Hunter-Trapper Education class at the Club on March 23, 2013. The class will be ONE DAY ONLY. We will start at 8:00 am and finish between 4:00 and 5:00pm. Lunch will be provided.

By law, all first-time hunters and trappers, regardless of age, must successfully complete training before they can buy a license. A training certificate, which is recognized throughout North America, is awarded at the end of the course. You must be at least 11 years old to enroll in a class. Parents are encouraged to attend with their children.

This year, students are required to pre-register and complete part of the course on-line in advance using the Pennsylvania Game Commission website. The link to preregister for the class at Irwin Sportsmen's Association is www.register-ed.com/events/register/29995 The overall link to the Commission website is www.pgc.state.pa.us. (Just select "Education," then "Hunter Education," then "Hunter-Trapper.")

Remember that the lock combination has changed—refer to the back of your 2013 membership card. Please do not share your combination, and report any trespassing.

Recruiting for Work Parties!

With spring just around the corner, we're scheduling work parties to maintain the Club house and grounds. Regularly scheduled work parties start at 5 p.m. every Wednesday beginning in April. You can also contact John Reed or Jack Ruffner to schedule a specific

activity. We will publish a schedule on the web site as soon as possible.

Please note that this year we are also scheduling morning work parties to accommodate more members' schedules. Remember that not all work party help has to be physical labor! Other options include helping out at competitive shoots, supporting the open house, working in the kitchen, or helping out in your area of trade (plumbing, mechanical, etc.). As always, if you have other ideas, please let us know. (Sorry, but we can't count makeovers for Club officers or pimping out the Club tractor.)

Westmoreland County Sheriff Hosted Public Forum on Gun Control

In early February, Westmoreland County Sheriff Jon Held hosted a town hall meeting at Westmoreland County Community College. He coordinated the meeting after a barrage of questions directed to his department and sharp increases in the number of people seeking permits to carry concealed weapons.

During the meeting, Held read from the Constitution and explained the sheriff's role. He briefly outlined proposed gun control legislation and explained that he promised to uphold the rights of citizens. The meeting was attended by about 200 citizens.

HB 357 Seeks to Make Federal Gun Control Laws Unenforceable in Pennsylvania

In late January, State Representative Daryl Metcalfe (R-Butler) proposed new legislation—the Right to Bear Arms Protection Act (House Bill 357)—that would make any new federal gun control laws unenforceable within the Commonwealth.

Said Metcalfe "Passage of my legislation will send the message that there will never be additional gun control, anywhere in Pennsylvania...we will never allow the left to benefit from the wicked acts of murderers in order to advance their senseless gun-grabbing agenda..."

The legislation is similar to recently introduced laws in Wyoming and Texas that would prohibit enforcement of any new federal registration, restriction or prohibition requirement for privately owned firearms, magazines and ammunition.
