# ISA POST 228

## JUNIOR RIFLE TEAM

The team continues to participate in weekly competitions with the Pittsburgh and Suburban league. Nathan broke the 280's window in Week 3. Week 4 was the highest score for the team with a 1280.

Week 3: Team Score 1183. Individual scores: Nathan 286; Logan 257; Cameron 236; Dalton 204; Parker 200.

Week 4: Team Score 1280. Individual scores: Nathan 286; Logan 269; Cameron 261; Dalton 243 and Parker 221.

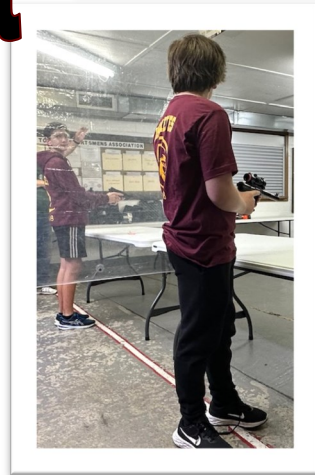

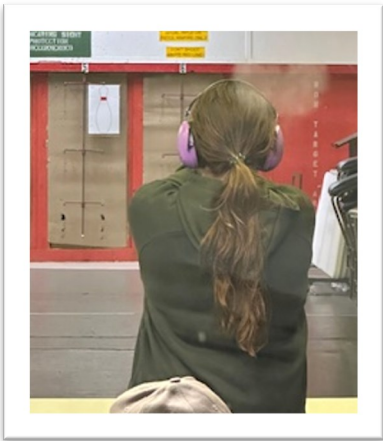

The team recently held their monthly "Fun Night" at ISA's Indoor Pistol Pin Shoot on November 17. The team and parents competed against ISA members. We even had a former team member, Chloe, return to shoot with the group. Everyone had a great time!

The first competition for the NE Ohio League will be on Saturday, January 20, 2024 at Niles, OH. The entire team will face their first competition vs. Niles Eagles, Vienna Cougars and Howland High School.

The team is currently running two fundraisers. The first are Sarris Chocolate Bars and Chocolate Covered Pretzels. You can purchase them for \$2.00 each. The second fundraiser are luminaires. Kits are being sold as a set of 4. The cost is \$8.00. If you are interested in any of the fundraisers, please contact Paul Angelicchio or Jaime Nave.

# ISA Post 228 Daisy BB & Air Rifle Instructional Course

The Daisy BB & Air Rifle Instructional Course started on November 5. There are currently 5 students in this session. The students have learned safety aspects, shooting stances and range rules. Senior members from ISA Post 228 Jr. Rifle Team joined the students on November 19 to demonstrate the different shooting stances. Final classes for this current session will end on Sunday, January 21.

If you know of anyone between the ages 7 and 12 that would be interested, the next course will begin in February. Anyone interested can contact Dan Nave for signups.

## American Marten Reintroduction

The American Marten were found in Pennsylvania forests up till the 1900's due to unregulated market hunting and trapping and deforestation. About 70% of their diets are made up of plants and insects. Occasionally they will eat birds, squirrels, rabbits, hares and other small animals but those are on a smaller basis within their diets. The process for reintroduction of the species started over the summer. For additional information, please refer to the link below.

## Indoor Pin Shoot

Now that winter is creeping in, it's time for the Indoor Pin Shoot season to begin! Did you know the club offers an indoor pin shoot? This event is open to members and friends.

The indoor range is setup with bowling pins on paper targets. For only \$5.00, you can come to the club and try your best at hitting the targets, along with having an evening out in the warm club house and amongst other sportsmen. Everyone has a great time and a little healthy competition has never hurt anyone.

The shoots are held the first and third Friday of each month at 7:00 PM.

For additional information, please contact ISA Officer Rich Lindh.
