

## 2018-19 Bragging Page

Brian Tuccarello and a buck that he got October 19. Brian is life member Lew Tuccarello's son

Brian Tuccarello's buddy got this buck this week while they were at camp in Tidiute, Pa. Notice that the buck's antlers are still in full velvet which is VERY unusual in PA at this time.

ISA member Mike Uliano and a 10 point buck that he shot in Illinois

Dan Nave's son in law buck kill on ISA property on Nov 28th at 4:15. Deer is a 9 point with a double main beam on the right antler.

Member Dan Petrill harvested this buck on the first day of deer season.

Life Member Dennis Lavella on the left & his son Sean with the gobblers they got this spring

Carl Sarge's daughter Nicole and her first day deer in WV.

Sean Lavella (Life Member Dennis Lavella's son) shows off his buck (right) taken with a long bow and a catch and release channel catfish (left) from twin lakes.
